### REPORT ON SEMINAR

**Date: 9th February 2019**  
**By – Mr. Ashish Chaturvedi**

**Title:** Career Guidance in Research and Development

**Criteria:** CS & IT students

**Committee:** Mr. Mahendra Kanojia, Ms. Pradnya Bhabal, Mr. Ashish Chaturvedi

**Collaboration:** Dr. Mrs. Niketa Gandhi

**Date:** 8th February 2019

**Duration:** 10:00 AM - 11:00 AM

**Venue:** Ground floor auditorium, MVLU College

**Faculty & Staff Attended:** 6

**Participants:** A total of 125 students from CS and IT departments had participated.

**Objective:** To introduce CS and IT students to the potential of a career in research and development.

**Outcome:** The Seminar was designed to assist students in identifying their interests and strengths, as well as to introduce them to a wide range of research opportunities and to empower them to pursue internships, careers, and leadership positions that are personally relevant to them.

#### **Brief Report:**

The resource person is an IEEE senior member with over 15 years of research and academic experience. She emphasized the significance of a career and the steps involved in deciding on a career path. Lately, she has focused on research and development, including what research is and the methods and processes involved in conducting research in many disciplines. She gave a good overview of the research field and encouraged the audience to participate in research projects. She interacted with the students and answered their queries. There were 5 students who decided to do a research project for the third year.

## BMM DEPARTMENT

### REPORT ON THE IMPORTANCE OF GROOMING IN THE CORPORATE WORLD

Date: 14 December 2018

By - Prof. Manisha Sayani

Title: Gillette Seminar – Importance of Grooming

Criteria: BMM & other Interested students & faculty members

Committee: BMM Department

Collaboration: Gillette

Date: 8th December 2018 Duration: 11:00 am – 2:00 pm Venue: MVLU College Classroom

Faculty & Staff Attended: 3 Students Attended: 42

**Objective:** To make students understand the importance of creating fine first impressions in the corporate world.

**Outcome:** Students learned the importance of colors & Color combinations while dressing for the corporate world, staying groomed when it comes to hair, beard & nails, and overall outlook, so as to create the first fine impression in the Corporate World.

**Brief Report:** BMM students attended this seminar in the college auditorium. Our guest of honor, a motivational speaker Mr. Kunal Partho who was representing Gillette, gave a robust session on self-image, its characteristics, development level of self, and the 3A mantras – accept, adjust, alter body image. He also explained the importance of first impressions and its 4 elements- clothing, grooming, communication, and body language, where students were enlightened with dressing, & overall presentation tips.

## WORKSHOP REPORT

Date: 4-1-2019

By Mrs. Sneha Gokarnkar

**Title:** "Workshop on Embedded Systems and Robotics"

**Department:** I.T. Department

**Criteria:** I.T. Students

**Date:** 29 September, 20 & 24 December 2018, 4 & 5 January 2019 (5 days)

**Time:** 10:00 A.M. to 2:00 P.M.

**Venue:** CEC Center

**Teaching Staff Attended:** 3

**Students Attended:** 25

**Resource Person:** Ritesh Shah, Co-Founder of RoboKart.

**Contact No.:** 9326122023

**Objective:** Students got the opportunity to explore the field of robotics & embedded systems.

**Outcome:** Students were able to get hands-on experience in the workshop on 'Embedded Systems & Robotics'.

**Brief Report:** Robotics is a rapidly growing field that deals with the design, construction, operation, and use of robots, as well as computer systems for their control, sensory feedback, and information processing. The technology is used to develop machines that can substitute for humans and replicate human actions. Robots can be used in many situations and for lots of purposes. This time the IT department took the initiative to conduct a four days workshop on 'Embedded Systems & Robotics' to encourage students to gain knowledge in the field of Robotics and its programming. Through this workshop, students got the platform to learn and explore different robot projects using Arduino Board. The interesting projects built by students during the workshop are – Biped Robot, Gesture Controlled Robot, Line Follower, Obstacle Detector, Smoke Detector, Robotic Arm, Radar System using Arduino, Car Parking System using IR Sensor, Android Controlled Car, IOT Weather Station using Arduino etc.

## SEMINAR REPORT

Date: 30-09-2018

By Mrs. Sneha Gokarnkar

Title: Seminar on Computer Hardware

Department: I.T. Department

Criteria: I.T. Students

Date: 6th September 2018

Time: 10:00 A.M. to 12:00 P.M.

Venue: Classroom no. 204

Teaching Staff Attended: 4

Students Attended: 60

Resource Person: Mr. Karan Verma

Contact No.:7039487390

**Objective:** To open doors to students as the majority of career tracks in IT entail design & operational tasks related to computer hardware components.

**Outcome:** Students were able to gain awareness on PC hardware..

**Brief Report:** IT can be widely defined as a technology to maximize the efficiency and production that improves the working efficiency. Our students were given the opportunity to display their academic proficiency. Our IT student Karan Verma presented a PowerPoint Presentation on Personal Computer (PC) Hardware in the month of September. Students were introduced to internal circuitry, IC's & motherboard connections, they were also told the working & significance of different PC ports like LAN, HDMI, RS232, Ethernet etc. Many students actively participated and interacted with each other during this event.

## SEMINAR REPORT

Date: 25-02-2019

By Mrs. Sneha Gokarnkar

**Title:** "Seminar on '3D Animation and Modeling' "

**Department:** I.T. Department

**Criteria:** I.T. Students

**Date:** 21 February 2019

**Time:** 10:00 A.M. to 12:00 P.M.

**Venue:** Room no. 003

**Teaching Staff Attended:** 4

**Students Attended:** 60

**Resource Person:** Mr. Siddhesh Sawant

**Contact No.:** 9819574196

**Objective:** To Give students the knowledge of 3D animation & modeling.

**Outcome:** Students got practical knowledge about how to work with 3D Graphics & different tools of the same.

**Brief Report:** Our TYIT Student Siddhesh Sawant gave a presentation on '3D Animation and modeling'. The session commenced with the introduction of 3D animation & its applications in various fields like Mining, Gaming Industry, Advertising, Construction & Architecture etc. The basic concepts of 3D animation were explained by showing the students practically how modeling, texturing, lighting & rigging is done. He also introduced different 3D animation software tools which made the students aware about the various features of each tool. Later the session concluded with the biped animation and showcase of past projects done by him.

### REPORT ON SYSTEM APPLICATION AND PRODUCTS

**Date: 1st October 2018**

**By – Mr. Ashish Chaturvedi**

**Title:** SAP (System Application and Products)

**Criteria:** CS & IT students

**Committee:** Mr. Mahendra Kanojia, Ms. Pradnya Bhabal, Mr. Ashish Chaturvedi

**Collaboration:** Mr. Tarun P. Mandalia

**Date:** 1st October 2018

**Duration:** 08:15 AM - 10:15 AM

**Venue:** Ground floor auditorium, MVLU College

**Faculty & Staff Attended:** 6

**Participants:** A total of 120 CS and IT department students participated.

**Objective:** To introduce CS and IT students to understand the opportunities to work for SAP, Overview of every module of the SAP software.

**Outcome:** The seminar was designed to introduce SAP to all students. SAP careers were also discussed with students.

#### **Brief Report:**

The resource person has over 7 years of experience as an SAP SD consultant. The importance of SAP software modules was addressed by him. He has focussed on the various SAP modules, such as Finance, HR, and Logistics. He inspired the audience to take the SAP course by providing a thorough overview of SAP. He interacted with the students and answered their queries.
