Computer Science in Association with MVLU IQAC

REPORT ON PRESENTATION

Date: 13th August 2019

By – Mr. Mahendra Kanojia

Title: Research Poster Presentation with Artificial Intelligence

Criteria: TYCS students

Committee: Mr. Mahendra Kanojia, Ms Pradnya Bhabal, Mr. Ashish Chaturvedi

Resource Person: NA

Date: 12th August 2019

Duration: 2 hrs

Venue: 001, Ground Floor, MVLU College

Faculty & Staff Attended: 03

Participants: Total 48 students participated.

Objective: To create research-based posters on innovation in AI.

Outcome: The integration of AI has enabled students to produce visually engaging and interactive posters that provide a more comprehensive overview of their research.

Brief Report:

A group of TYCS students presented a research poster on the topic of Artificial Intelligence. The poster highlighted the impact of AI on various industries, including healthcare, IoT, finance, and education. It also discussed the potential ethical concerns surrounding the use of AI. The students used their knowledge and research skills to create a visually appealing poster that effectively conveyed their message. The presentation was well-received by the audience and sparked a discussion on the future of AI and its role in society. Overall, the research poster presentation by the TYCS students was a success and showcased their knowledge and expertise in the field of AI.

SEMINAR REPORT

Date: 21-09-2019

By Mrs. Sneha Gokarnkar

Title : Seminar On Guidance for Various Government Competitive Exams

Department: I.T. Department

Criteria: College Students

Date: 19th September 2019

Time: 10:00 A.M. to 11:00 A.M.

Venue: Auditorium (Ground Floor) **Teaching Staff Attended:** 4

Students Attended: 111

Resource Person: Sahil Kumar- Aryan Institute

Contact No.: 9004810318

Objective: To give a brief overview of the government exams.

Outcome: Students were briefed about various Govt. exams and many aspects which are necessary for qualifying Govt. examinations with job designation and the perks in Govt. jobs.

Brief Report: Getting a Govt. a job is one of the most sought career options that students opt for. As the number of Govt. Job aspirants are increasing at an alarming rate in India. More and more aspirants are applying for Govt. job posts every year. In view of this, the Dept. of Information Technology organized seminars on "Guidance for Various Government Competitive Exams". During the seminar various Govt. competitive exams like UPSC, MPSC, IAS, IFS, IRS, IBPS, NDA, SSC, RRB etc. at both higher secondary level and graduate level information was shared with the students. They were also briefed about many aspects which are necessary for qualifying these examinations like preparation cycle, paper pattern, exam structure, exam duration, few sample questions, applicable Govt. sectors with job designation and the perks in Govt. jobs that are more stable and safer from layoffs unlike private companies. The session was inspiring, informative and the speaker's method of delivery was easy to understand.

Seminar on Role of IT in Film Industry Report

Date: 07-10-2019

By Mrs. Sneha Gokarnkar

Title : "Seminar on Role of IT in Film Industry "

Department: I.T. Department

Criteria: I.T. Students

Date: 13th September 2019

Time: 11:00 A.M. to 12:00 P.M.

Venue: Room No. - 003

Teaching Staff Attended: 3

Students Attended: 70

Objective: To bring awareness about Technology used in the Film industry.

Outcome: Students got the opportunity to know various tools & techniques used in the animation & movie making.

Brief Report: Technology has completely changed the film industry – from movie making to editing. So, the IT department came up with a seminar on "Role of IT in the film industry". TYIT Students Rahul Behera, Jayesh Yadav, Carlos Mascarenhas and Dharmesh Katariya gave a presentation on the above topic in the month of September 2019. These students visited some of the Reality Show sets to get an overview and to get an understanding about role of IT in such industries. They explained the concept of Graphic Designing, Editor, VFX Creator and Motion Designing. They also gave an insight about how reality show sets use various software for creating virtual sets which are finally transformed into Physical sets.

WORKSHOP REPORT

Date: 01-02-2020

By Mrs. Sneha Gokarnkar

Title : "Workshop on Cyber Security & Ethical Hacking"

Department: I.T. Department

Criteria: I.T. Students

Date: 18th January 2020 & 25th January 2020

Time: 9:00 A.M. to 1:00 P.M.

Venue: IT LAB

Teaching Staff Attended: 4

Students Attended: 49

Resource Person: Mr. Satyendra Kumar

E-mail id.: atharva.shetkar@iisecurity.in

Objective: To give a hands-on practice about Cyber Security and threats in digital transmission.

Outcome: Students were able to improve their awareness and knowledge about Cyber Security.

Brief Report: Considering the increasing security threats to computer networks and web servers, there is a need to make networks "hacker-proof". The best way to do this is by understanding the methods employed by hackers to intrude into systems. In a view of this I.T. department conducted a two day workshop on 'Cyber Security and Ethical Hacking' in the month of January, 2020. Around 49 students participated in the workshop with full enthusiasm and got benefited with the same. The highlights of the workshop were -Introduction to cyber-crime and offenses under Indian IT ACT. Demo on email hacking / logic bomb /money laundering cases. Hands on practice on data recovery and attacking methodology. The session was delivered by Mr. Satyendra Kumar, a Certified Ethical Hacker and web application security researcher associated with Institute of Information Security as a Cyber Security Engineer. It was a very interactive and enthusiastic session
