SHETH L. U. J. & SIR M.V. COLLEGE OF ARTS, SCIENCE AND COMMERCE
Dr. S. Radhakrishna Marg, Andheri(East), Mumbai - 400 069

7.1.1. Gender Sensitization Action Plan for the Academic Year 2021-22:

Sheth L. U. J. and Sir M.V. College has built a reputation in the neighborhood by offering a secure environment for both employees and students. Our achievement in promoting gender equality among our students and staff has been a result of a variety of actions and programmes. To ensure appropriate behaviour, gender sensitization procedures must be frequently followed.

Orientation programmes are used to make incoming students aware of various facilities offered by the college. In addition to the academic matters, department staff provided guidance to new students during orientation regarding how to maintain appropriate decorum while on the college campus, their code of conduct, behaviour in lecture halls and labs, and behaviour towards people of the opposite sex. The institute's staff members addressed the students' behavioural difficulties and gave them the necessary direction to fix them.

While strictly adhering to the "No Discrimination Policy," female students were equally encouraged to engage in many college activities, including sports, culture, and the College Fest, VIBES. Equal opportunity had been provided for female students and staff to serve on a variety of college committees. The administration of the college saw to it that everyone received fair and impartial treatment.

In order to encourage female students to maintain their physical fitness and overall health, the College Women Development Cell made a significant effort to host webinars and seminars for them. Gender sensitization concerns are actively handled by the women's cell.
