nothing

No suggestions.

No suggestion

1. Explaining theories with practical application.
2. Reduce the use of powerpoint presentation cause it gets boring.
3. Please encourage students to use scratch (platform) as it helps students understand the core concepts of programming.

Need a Good Gymkhana, helpful teachers and more practical explanation.

Reduce number of students in class, give more real life based examples, stricter discipline.

Very good experience
Teachers are friendly

listen to student reviews, listen to student reviews, listen to student reviews.

Best

Including more practical knowledge. Emphasis on soft skill and career guidance

Nice learning

Everything is flawless

1. To have extra time to discuss and share knowledge regarding that topic.
2. To time and notice everything before time.

Excellent teaching staff and teacher

Everything was fine

All are going perfect
Well teaching by all teachers
Very nice performance by department
