Date: 24/10/2023

By – Ms. Charmy S. Shah

Title: Educational kits donation drive

Criteria: MVLU TEACHING/ NON- TEACHING STAFFS AND STUDENTS

Committee: MVLU CARE CLUB – “CULTURAL COMMITTEE”

Collaboration: HAPPIE FOUNDATION

Date: 29th Sept to 5th Oct, 2023

Duration: 11:30 am –1:00 pm

Venue: Ground Floor College passage and Jeevan Jyoti Aashalaya Charitable Trust

Faculty & Staff Attended: 15

Students Attended: 80

Objective: To outreach and support underprivileged school going students

Outcome: The donation drive encouraged college students to participate in a noble cause. It developed a sense of duty towards humanity.

Brief Report: The college initiated a donation drive in its campus to outreach the students living in areas where the education and educational materials are scarce. It was a five days donation drive starting from 29th Sept- 05th Oct, 2023 where along with teaching and non teaching staffs, students participated in donating to underprivileged kids. Around 500 units of various educational materials were collected and donated to children living in Jeevan Jyoti Aashalaya Charitable Trust- Nerul in collaboration with Happle Foundation on 22nd October 2023. The children who received the educational materials were full of joy and were motivated to study hard to have a bright future.

Letter of Collaboration

No. MVLU/225

Date: 6-11-2023

To,
The Principal,
Vissanji Academy,
Andheri (East),
Mumbai-400069.

In accordance with our collaborative objectives for a sustainable future, we have developed a program titled "Electrowarriors - A Proactive Approach in Tackling Electronic Waste". This program is of academic interest and of intellectual exchange with the goal of building a long-term mutually beneficial solidarity. Our college is at the forefront of efforts to reduce the negative environmental impact of e-waste through promoting the recycling and suitable disposal of electronic equipment.

We were pleased to approach Vissanji Academy with a proposal for a collaborative project. We feel that it would not only help our local community but also improve the educational and environmental consciousness of your students and staff. We are proposing a collaboration between Sheth L.U.J and Sir M.V. College of Arts, Science and Commerce, Vissanji Academy, and ReGreen Recycling Pvt. Ltd. to work on different initiatives. We propose to hold an E-Waste drive on your campus.

The following goals will be accomplished through this collaborative effort:

1. Engage and educate Vissanji Academy students and staff on the significance of appropriate e-waste disposal and its environmental impact.
2. To raise awareness among students by the school through activities such as poster creation, presentations, plays and so on.
3. Set up e-waste collection sites on your property, such as an e-bin, for old cell phones, laptops, printers, and other electronic equipment. We will make certain that the goods collected are recycled and disposed of in an ecologically responsible and certified manner by ReGreen Recycling Pvt. Ltd.
4. Encourage students and faculty to participate in sustainability initiatives and promote awareness of e-waste reduction through responsible use and recycling.
5. In order to accomplish this, the fundamental objective of e-waste management is to reduce, reuse, and recycle. The school needs to make sure that students are safe as the e-waste is being collected.

If you believe our plan aligns with the values and mission of your school, we welcome the opportunity to collaborate with you. We appreciate you taking a look at our proposal. We are excited about the possibility of collaborating to have a positive influence on our environment and community.

*We accept the innovative proposal
and look forward to the
collaborative effort as early
as possible.*

Title: Joining Hands for a Sustainable Future "ElectroWarriors- A proactive approach in tackling Electronic Waste" in collaboration with Vissanji Academy

Department: IQAC

Collaboration: Vissanji Academy

Date: 25-10-2023 & 15-12-2023 **Time:** 8:00 am to 9:00 a.m. (assembly) & 8:00 am to 2:00 p.m. (drive)

Venue: Vissanji Academy Ground **Teaching Staff Attended :** 01 (MVLU) 40 (Vissanji)

Students Attended: 02 (MVLU), 800 (Vissanji Academy)

Resource Person: Ms. Merina Gheevarghese, **Contact No.:**9867651568

Objective: To create awareness about e-waste and understand the potential solutions for recycling e-waste.

Outcome: The participants got a deeper understanding of e-waste management and its challenges and actively contributed to the drive.

Brief Report: On the occasion of Sustainability Day, i.e., October 25, 2023, Asst.Prof.Merina Gheevarghese addressed the students and teachers of Vissanji Academy on e-waste management and potential solutions for recycling them. In the end, she also asked everyone to pledge that they would in the future manage their e-waste carefully by giving it to the desired recycler. In agreement with this, we hosted an e-waste collection drive in Vissanji Academy on December 15, 2023, to which many teachers and students contributed.

Committee: MVLU CARE CLUB – “CULTURAL COMMITTEE”

Collaboration: HAPPIE FOUNDATION

Date: 24th Jan to 05th Feb, 2023

Duration: 10:00am to 11:00 am

Venue: Ground Floor College passage and Khindipada, Bhandup (West)

Faculty & Staff Attended: 08

Students Attended: 35

Objective: To outreach and help underprivileged school-going students.

Outcome: The donation drive encouraged students to come ahead for a noble cause and donate educational materials. It also created a sense of responsibility towards humanity.

Brief Report: A donation drive was initiated by the college to help the underprivileged students. The college collection drive began on 24th January, 2023 and was handed to Happie Foundation on 04th Feb, 23. The college had collected around 500 units of various educational materials donated by teaching staff and students. The educational materials in association with Happie Foundation were then collected and donated to children staying in Adivasi Pada- Khindipada (Bhandup- West). The children receiving the kits were full of contentedness, motivated to study hard and march towards a bright future.

3.3 - Extension Activities 2022-2023

1) College Event : VIBES Wings of Joy - Women's Empowerment

The college had a three-day event called 'Vibes - Wings of Joy' with a theme of Women's Empowerment. The program aimed to raise students' awareness of how society works, particularly when it comes to women's rights. We used social networking platforms like facebook & instagram to spread information on women's rights and equality, which educated our community and fostered positive social change. We discussed several issues that women face on a daily basis, as well as why it is critical to treat everyone equally. This encouraged members of our community to speak up for change and assist those who were in need.

We had lady police inspectors as special guests on the last day of the event, making the day even more interesting. The most crucial aspect was when one of the female police inspectors delivered an inspirational speech. Her remarks were like a spark, not only helping students and our society grasp things effectively, but also making them more willing to participate.

Our students also did an outstanding job, acting out a powerful story about empowering girls. They demonstrated that girls can achieve great things. It advocated for gender equality, raised awareness, and fostered good social change.

3.3 - Extension Activities 2021-2022

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

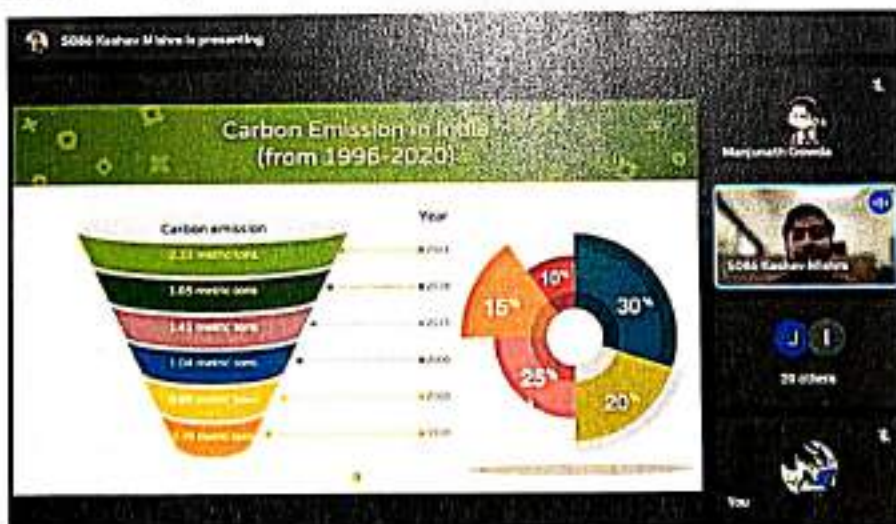

IT department : Green-Tech Intercollegiate Power Point Presentation Competition

The IT Department organized the Intercollegiate Green Tech PowerPoint Presentation Competition in March 2023 with the objective of promoting green technology, explaining the harm done to the environment in the past, and protecting the planet's natural resources.

On March 2, 2022, the competition's first round was held. 15 students were chosen for the final round out of the 49 students who submitted submissions in the first round.

Due to COVID, environmental promotional activity was conducted in online mode and 49 students from 14 colleges had participated. Asst. Prof. Sneha Gokarnkar provided additional information on potential green technology solutions to reduce rising carbon emissions, which are seriously harming people's health and the environment. Participants enthusiastically presented their PowerPoint presentations and offered numerous green-tech solutions to address environmental challenges during the competition.

Students from different colleges gathered on one platform and expressed their opinions. They also learned how to use green technology to solve problems caused by excess energy and water use, e-waste, and carbon footprint.

Date: 25-4-2021

By Ms. Rohini Jagdale

Title: Distribution of Paper Bags to the Nearest Community

Department: I.T. Department

Criteria: IT Students

Venue: Nearest Community

Teaching Staff included : 4

Students Participated: approx. 10

Objective : To cut down on usage of plastic bags by making and handing out paper bags, promoting eco-friendly habits and environmental awareness on campus and in the nearby community.

Outcome : Students created paper bags & distributed it in the campus & nearest community. They also explained how paper bags save our environment.

Brief Report : Usage of plastic bags is widespread and concerning so students from the first year of the IT department created paper bags and distributed them across the campus and the surrounding area to support the college's environmental ethos. They also outlined the benefits of utilizing paper bags, such as how easily they can be recycled and decomposed, how they can replace single-use plastic bags, and how they are biodegradable.

Social Awareness Programme Report

Date: 07-04-2020

By – Mr. Mahendra Kanojia

Title: Social Awareness Programme

Department: Computer Science Department

Venue: Social Media

Teaching Staff included: 3

Students Participated: approx. 20

Objective: To recognize and show appreciation for those fighting the Corona pandemic such as doctors, nurses, police, and municipal workers by creating a collaborative online poster with students holding personalized messages.

Outcome: Even while staying at home during the pandemic, students showed their gratitude towards society by creating posters that raised awareness about the Corona pandemic. These posters conveyed their appreciation for frontline workers and effectively informed the community about the importance of following health and safety guidelines.

Brief Report: The students created a poster to honor frontline workers and circulated it on social media platforms like Facebook. The poster features students holding individual signs that together form messages of appreciation and support for various frontline workers, reading "We Salute Our Doctors, Nurses, Police, Municipal, Worriers, and Corona Fighters. Stay Safe, Stay Home." Each student displayed a segment of the message, highlighting a collaborative effort.

5. BMM/ BAMMC Department- Motivational Video

During a difficult time for everyone in the world, particularly for Indians, the BMM/BAMMC students created a motivational video based on the song Muskurayega India. The goal was to provide a brief summary of the previous days and put a smile on the face by announcing that this too shall pass. A motivating film created by the BMM/BAMMC students at home was submitted to the department's head of department, Mrs. Manisha Mehul Sayani, and was later posted on YouTube.

REPORT ON SOCIAL AWARENESS PROGRAMME

Date: 20th December 2019

By - Mr. Mahendra Kanojia

Title: VIBES - Wings of Joy - War Against Terrorism (Social Awareness Programme)

Department: Computer Science Department

Venue: Juhu Beach, Andheri East

Faculty & Trainer Attended: 03

Students Participated: approx. 20

Objective: To raise awareness about the global issue of terrorism by emphasizing that terrorism has no religion, and to educate the public about the historical impact of major terrorist attacks through a live act play.

Outcome: The live performance at Juhu Beach engaged the audience, effectively conveying the message that terrorism goes beyond religious boundaries. The students' depiction of historical terrorist events raised awareness among the audience, deepening their understanding of the need for unity and peace in the fight against terrorism.

Brief Report: Vibes is an annual intercollegiate fest hosted by M.V.L.U College. For the A.Y. 2019-20, the Vibes theme was "War against Terrorism." Students performed a live act play on this theme at Juhu Beach, where police were present to ensure safety and manage the crowd. The performance drew significant public attention, as students emphasized that terrorism has no religion and highlighted some of history's most significant terrorist attacks. The crowd engaged deeply with the message, creating a powerful and memorable experience.
