About College

Sheth Laherchand Uttamchand Jhaveri College of Arts & Sir Mathuradas Vissanji College of Science and Commerce, established in 1963 and affiliated to the University of Mumbai, is known for quality and value-based education.

Over the years, it has become a vibrant place for learning and growth. The college offers courses like B.Sc. Computer Science, B.Sc. IT, B.Sc. Biotechnology, and B.A. Multimedia and Mass Communication.

With well-equipped labs, a good library, and focus on research, students get practical learning experience. Along with studies, the college also promotes sports, cultural events, and career-oriented activities to build confidence, skills, and creativity.

About The Conference

The "Society 5.0" conference brings together students, teachers, researchers, and professionals from various fields to share ideas and explore how technology can grow with human values. Focusing on AI, IoT, and Big Data, the event highlights how technology can improve lives and solve real-world problems. It features research presentations, expert talks, and panel discussions on innovation, sustainability, and the human side of technology. The conference promotes creativity, teamwork, and collaboration, aiming to inspire young minds to help build a smarter, balanced, and inclusive future.

Objective of the Conference

1. To bring together students, teachers, and professionals to share ideas and encourage collaborative thinking on technology and society.
2. To explore how smart technologies like AI, biotechnology, and modern media can solve real-world problems and support the Society 5.0 vision.

Conference Publication

All accepted papers, reviewed by Review Committee will be published in an International Peer-Reviewed journal with an ISSN number and DOI.

Selected research articles by reviewers of the international journals can be published in Scopus/ABDC/Web of Science subject to the payment of APC by author.

Call for papers

Note - Submission guidelines are available on website. The subthemes listed below serve as guidelines and may include, but are not limited to, other emerging areas.

Track 1 - Computing & Information Technologies

1. Intelligent Systems & Data Analytics
2. Cybersecurity & Ethical Considerations
3. Emerging Computing Paradigms
4. Sustainable Computing & Automation
5. Interdisciplinary Applications

Track 1 Coordinator - Mr. Rohitkumar Sahu - 7666525702

Track 2 - Biological & Life Sciences

1. Healthcare Innovation
2. Sustainable Bioeconomy
3. Ethical & Regulatory Frameworks
4. Microbial & Environmental Sciences
5. Applied Biotechnological Solutions

Track 2 Coordinator -
Dr. Priyanka Vartak - 7387195117

Track 3 - Media & Communication Studies

1. Digital Storytelling and Smart Media
2. Ethical Journalism in the Digital Age
3. Social Media and Public Engagement
